

New Shop in Cottage Grove Oregon!

Under The Covered Bridge Souvenirs

The shop is a souvenir shop. It is for tourists who want to buy things to remember their trip to Oregon. It **does not** sell anything other than souvenirs.

Where it is

It is literally *under* the Row River Covered Bridge. It is right along the river on Row River Road. There is a driveway that splits off of the bridge and goes to the parking lot.

The Person Who Owns it

Marco Smith owns the store. “I wanted to build this shop to promote tourism of Cottage Grove.” said Marco Smith. “I think most people would like to see the covered bridges of Cottage Grove so I thought it was a good idea to build a shop right under the bridge.” he also said. So the next time you go to Cottage Grove Oregon, make sure to check out Under The Covered Bridge Souvenirs right under the Row River Covered Bridge!
